Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Want to become a millionaire? Do you know who to accomplish that in 52 weeks or less? It is not only possible, but by following this specific advice you can do it! This is not some house flipping, or pyramid sales scheme. It is a simple to follow method of acquiring the business you work for now, or another business, by yourself or with your co-workers or family members or business associates. The book is written by a veteran of buyouts of all types and also has interesting history of how he did it, and you can do it too. This is a step by step guide on how to become a millionaire in 52 weeks or less by buying a business, large or small by yourself or with friends, business partners or associates. The author also provides no cost initial consultation to get the process started. This book is written in easy to understand step by step descriptions of each step to accomplish the ultimate goal of acquiring a business of your own. This is not how to start a business, but a guide to acquire an ongoing established business. The book is also a great guide for acquiring an add-on acquisition for a business owner who has never bought one. Step by step, the book takes the reader through all the necessary functions of locating a target business, establishing a price for it, structuring the purchase and financing it to finish the deal. There are even all the forms you might need related to the purchase such as a due diligence checklist, and even a draft of a Purchase Agreement to use in...
