

## Parenting Anxious Kids: Best Tips to Managing Attention Deficit Disorder in Children Including the 21st Century Add Strategies for School Age Children! (Paperback)

By Monica Davis

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Large Print. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Without any fear of being misconstrued, I can say that Attention Deficit Disorder (ADD) is one of the commonest and most misdiagnosed brain disorders in recent times. Yes, though it is a medical condition that requires great understanding from family members of sufferers. But the truth is that, many of these sufferers are undergoing a lot of stress due to the fact that their family members, including the people closest to them, do not understand! As a matter of fact, in most cases they have little or no information about the neurological barrier resulting from this medical condition. Hence, the need to take time to get and study all the information one can get about ADD is so crucial to say the least. And particularly so, as we are even looking at the impact of the condition on children who are of school age that in most cases cannot understand what is going on with them! Besides that, it is so necessary to gather and study all these information about ADD because of the simple reason that having...
