This published book is wonderful. It is really simplified but unexpected situations within the fifty percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

A BEAR S HEART (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Christine a Jennings (illustrator). Language: English . Brand New Book ***** Print on Demand *****. A Bear s Heart tells the story of Rachel and her constant companion, Bear. Rachel and her family live on a small farm in Fauquier County, Virginia. With few other children living near them, Rachel discovers a friend within the heart of a large and wise stuffed bear. A Bear s Heart speaks in both Rachel s and Bear s voice to describe their shared adventures. Rachel learns to share and care for her sister, Kate, with a little help from Bear. This is a gentle story of farm family life and the strong bond between a child and her bear. As Rachel s parents we wanted to capture a place and time in our daughter s childhood where reality and imagination come together. A Bear s Heart is a postcard from a simpler time to our children s children.
