The history of the Medieval Empire has, as we have seen, been fertile in contrasts. By a strange freak of fortune the title and tradition of the Caesars passes to the latest barbarian arrival within the circle of the civilized nations of the west. The Saxon king of a rude race of peasants is required to conserve and to appreciate a conception of government moulded by the genius of the Latin races in a climate of Roman law and Roman religion, and saturated with the spirit of Roman autocracy, that last and most refined distillation of the aristocratic pride of a great city. A barbarian, living in a condition of affable equality with his fellowtribesmen, is asked to posture as the descendant of Augustus, the masterful and subtle, as the co-equal of those Greek rulers, for whose elaborate court Constantine...
