Excerpt from Society of the War of 1812, of the District of Columbia: Organized April 18, 1896 Whereas, In the Providence of God, victory having crowned the forces of the United States of America, in upholding the principles of the Nation against Great Britain in the conflict known as the War of 1812 we, the survivors and descendants of those who participated in that contest, have joined together to perpetuate its memories and victories, to collect and secure for preservation rolls, records, books and other documents relating to that period; to encourage research and publication of historical data, including memorials of patriots of that era in our national history; to cherish, maintain and extend the institutions of American freedom, and foster true patriotism and love of country.
