

Running Up Front: Life Lessons from Stock Car Racing

By Ted Hull

Word Alive Press, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****. Running Up Front will transport you from the grandstand to the pit lane, from your TV to turn four, so you ll never view stock car racing-or life-in the same way again. There is a message underneath the roar of engines, a view of life from the spotter s stand, and lessons to be learned during a thirteen-second pit stop. In the same way that winning race teams have access to virtually limitless resources, we can have access to the unlimited divine resources which fuel a successful life. Like spotters who have a broad view of the track, we need people in our lives who see things in and around us to which we are oblivious. Drivers can get caught up in crashes they didn t cause and can t avoid, just as we can be the victims of personal and relational wrecks. These are a few of the fifteen life lessons we can learn from stock car racing. Ted Hull draws on his own life experiences, including some of his wins and wrecks. His...
