Amazon Publishing, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. Leorah Langdon has no patience for Regency society s shallow hypocrisy and unnecessary rules, especially for women. She s determined to defy convention by marrying for grand passion instead of settling for a loveless union like her parents--or wedding a stuffy, pompous gentleman like Edward, the Viscount Withinghall. But when a chance meeting in the countryside leads to Leorah and Withinghall being discovered in his overturned carriage--alone and after dark--the ensuing gossip may force them together. Withinghall has his reasons for clinging to propriety; his father perished in a duel with his mistress s husband, and Edward must avoid scandal himself if he wants to become prime minister. He certainly has no time for a reckless hoyden like Miss Langdon. But soon the two discover that Withinghall s coach accident was no such thing: the vehicle was sabotaged. Can the culprit be brought to justice? Strong-willed Leorah and duty-driven Withinghall will have to work together if they have any hope of saving her reputation, his political career--and his life.
