BROKEN WORLDS: DYSTOPIAN STORIES

Almond Press, United States, 2014. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.The world breaks everyone, and afterward, some are strong at the broken places. In a future of bleakness and roboticism, a totalitarian government enforces upon the people a lifestyle that lulls them into a state of obedience. Your career and social status are predestined and you cannot alter it - this is a reality that walks a fine line between evoking sensations of fear and inducing a sense of futility. A dystopian reality can sometimes turn out to be as powerful and strong as it can be fragile, collapsing in on itself from one second to the next. As a race, we are fascinated with what comes next, what's over the hill and, inevitably, what happens if we're left all alone. How can things go on? What lessons can we learn? Broken Worlds takes a peek into an all too possible future. Narration and style change from story to story, but the core of this volume is human emotion. Coloured by their cultures and backgrounds, the storytellers featured in this volume take the idea of a society at extremes and weave a variety of outcomes. We invite you to read and hope you enjoy this collection.
