Reviews

*Unquestionably, this is actually the very best job by any article writer. I have read and that i am certain that i am going to planning to go through once again once more in the foreseeable future. I realized this publication from my i and dad advised this pdf to find out.

THE SNOWMAN. FILM TIE-IN

Random House UK Ltd Okt 2017, 2017. Taschenbuch. Condition: Neu. Neuware - Inspector Harry Hole tracks a Norwegian serial killer in this installment of Jo Nesbo's New York Times bestselling series. Now a Major Motion Picture starring Michael Fassbender. One night, after the first snowfall of the year, a boy named Jonas wakes up and discovers that his mother has disappeared. Only one trace of her remains: a pink scarf, his Christmas gift to her, now worn by the snowman that inexplicably appeared in their yard earlier that day. Inspector Harry Hole suspects a link between the missing woman and a suspicious letter he's received. The case deepens when a pattern emerges: over the past decade, eleven women have vanished—all on the day of the first snow. But this is a killer who makes his own rules . . . and he'll break his pattern just to keep the game interesting, as he draws Harry ever closer into his twisted web. With brilliantly realized characters and hair-raising suspense, international bestselling author Jo Nesbo presents his most chilling case yet—one that will test Harry Hole to the very limits of his sanity. 550 pp. Englisch.
