Reviews

This pdf may be really worth a read, and superior to other. It generally does not price too much. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. With this new story collection, Joseph Woodward explores a wide range of experiences gathered from his family and friends! The first story Woodward includes is an old family anecdote. The Annabelle of The Three Husbands of Annabelle is Woodward s mother-in-law. Woodward has known Annabelle for twenty-seven years. The matriarch, who is now ninety-five, shared the many joys and pains of her journey. She found love, encountered famous figures, and lived the life she wanted. Woodward s biography honors all of her many achievements. The second story, The Fernandez Brothers, features the two titular brothers (one a friend and neighbor of Woodward) and their childhood in Venezuela. Both Daniel and Jose vowed to build a better life for themselves. Woodward shows you how they succeeded. The third story is a celebration of a local cafe in Marion, Ohio. The Life and Times of the OK Cafe shows how one small place made a difference in so many people s lives! The fourth story in his collection is also his only fictional entry. In Trump s Soup Kitchen, Woodward follows the life of Donald Trump s down-on-his-luck half brother, Ronald. The interactions between Donald and Ronald show a different side to the American president and what our country s history could have been.
