*It is fantastic and great. It is written in easy words and phrases instead of confusing. I am just delighted to explain how this is actually the best book I have ever read through during my individual life and might be the finest publication for ever.

Taking refuge in his family s cabin--now home to a crotchety geezer with a rifle--Buck learns that the woman may be a victim in the range war that s brewing between the PP Connected and Lazy R ranches. Upon awaking, the woman can only remember that her name is Cathy. She has no idea who would attempt to kill her, or why.
