Tiber Publishing Corp, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. A children s educational book - ages 7-11 with chapters and illustrations - where a beautiful Pug puppy, Elvis, learns all about science, math, geography, animals, etc. Full of twists and surprises, this 90-page story will certainly capture your child s interest and motivate them to learn valuable information along with cherished life lessons. Elvis, a happy brown Pug, was recently adopted by a loving family in the small town of St. Clair, Michigan. One night, after a wonderful summer of fun and games, the happy Pug laid down to rest during a terrible storm. However, instead of a good sleep, he is swept away by the rugged St. Clair River and finds himself over 30 miles away from home, in Canada. Elvis, who nearly drowned and seemed to be left for dead, has no idea how to get back home. The poor little Pug befriends several animals and, together, they try to help Elvis arrive home safely. Can Elvis get all the way back to St. Clair before dinner? Will he become a victim of the treacherous waters?.
