

Baseball: STATS, Facts, and Figures (Paperback)

By Kate Mikoley

Gareth Stevens Publishing, 2018. Paperback. Condition: New. Language: English . Brand New Book. Math may have its difficult reputation, but with this book you can support curriculum-based mathematics while your students learn about baseball. Baseball is a game filled with numbers. Hitting, pitching, and fielding all come with a mathematical element that's essential to the game. From the numbers attached to the positions on the field to the progress of the game in its fractions of innings, America's pastime is full of math. Readers learn how to do math exclusive to baseball, computing batting averages and learning how the stats in the box score are calculated.
