It is one of the most popular publications. It is actually written in easy words instead of confusing. You will like how the author created this book.

New Generation Publishing, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.A pure, golden, shimmering light poured out of the portal of the universe and sent waves of magical light dancing across the vast acres of land. It was a fleeting moment, but sitting there, watching that afternoon spectacle felt like an eternity. I felt completely cleansed and intuitively believed that I had witnessed divinity. This inspirational volume demonstrates the author's personal and spiritual development towards a new, enlightened self. A self who is more carefree and at one with Mother Earth. As well as being practical and positive, the book also touches upon subjects such as grief and separation - both things the author has had first-hand experience with but has managed to overcome. It is these trials and tribulations that inspired her search for truth and wonderment, making her more in touch with her soul. Both the good and the bad in life strike a harmonious balance within this collection of prose and poetry, which ultimately allows you to see the different sides of an individual's personality. The underlying message is a positive one - anyone can dare to dream. It is never too late to take the journey towards positive change and become a fledgling yourself.
