Reviews

The most effective publication i at any time read. We have study and i am sure that i will likely to read yet again once again in the foreseeable future. You will not truly feel monotony at anytime of your time (that's what catalogs are for about in the event you request me).

(Mr. Rafael Hoeger)

INSIGHT SALES (CORPORATE): GET SMARTER. GET THE S.P.I.C.E3

Insight Publishers. Paperback. Condition: New. 384 pages. Dimensions: 9.0in. x 6.0in. x 0.9in. Insight Sales (Corporate) If you are a corporate sales person, a salesperson that must identify prospective clients and reach out to them for an opportunity to meet, or if you are about to become one, then this book is for you. If you are a corporate sales manager that needs a sales process to teach to sales team members, this book is for you. This guide shows the sales approach and skills used by the best sales people in today's marketplace, those who succeed and excel whether the economy is hot or cold. Traditional sales methods such as persuasion, information giving, relationship building and consultative selling no longer work as they once did. Older sales approaches are no longer adequate in today's economic environment where customers are so cost oriented, looking to simplify and reduce suppliers, and looking for something more than what they can do for themselves when buying. Sales people who rise to the top are those that intuitively challenge their customers to new insights. This is a book addressing the strategy and tactics of insight sales where the sales person uses a listening process that deepens the customer's understanding and delivers new insights about their own needs and wants, facilitates willingness to change, and leads to complete solutions not previously considered by the customer. Discover how the best sales people help each customer to achieve deeper insights about his or her unique needs and an expanded understanding of what could be accomplished by solving real problems using the Insight Sales approach. The best sales people then provide complete solutions that lead to enhanced customer success. These sales people distinguish themselves by challenging their customers to recognize real problems, the implications of those problems, the...
