

Puppet: An Essay on Uncanny Life

Filesize: 3.28 MB

Reviews

Good electronic book and valuable one. It is one of the most incredible publication we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.

The University of Chicago Press. Paperback. Condition: new. BRAND NEW, Puppet: An Essay on Uncanny Life, Kenneth Gross, The puppet creates delight and fear. It may evoke the innocent play of childhood, or become a tool of ritual magic, able to negotiate with ghosts and gods. Puppets can be creepy things, secretive, inanimate while also full of spirit, alive with gesture and voice. In this eloquent book, Kenneth Gross contemplates the fascination of these unsettling objects - objects that are also actors and images of life. The poetry of the puppet is central here, whether in its blunt grotesquery or symbolic simplicity, and always in its talent for metamorphosis. On a meditative journey to seek the idiosyncratic shapes of puppets on stage, Gross looks at the anarchic Punch and Judy show, the sacred shadow theater of Bali, and experimental theaters in Europe and the United States, where puppets enact everything from Baroque opera and Shakespearean tragedy to Beckettian farce. Throughout, he interweaves accounts of the myriad faces of the puppet in literature - Collodi's cruel, wooden Pinocchio, puppet-like characters in Kafka and Dickens, Rilke's puppet-angels, the dark puppeteering of Philip Roth's Mickey Sabbath - as well as in the work of artists Joseph Cornell and Paul Klee. The puppet emerges here as a hungry creature, seducer and destroyer, demon and clown. It is a test of our experience of things, of the human and inhuman. A book about reseeing what we know, or what we think we know, "Puppet" evokes the startling power of puppets as mirrors of the uncanny in life and art.
