The third and last volume of Popes examines the notion of Christian sanctification, the functions of the Christian church, and concludes with Eschatology - the theological subject of death and the afterlife. A stunning compendium of wisdom, A Compendium of Christian Theology is the masterwork of William Burt Pope. After many years spent studying various separate and divergent texts, each of which contained their own value and insight, Pope desired to unite and present these ideas - some of which spanned millennia of religious thought - into a single resplendent and informative work. Arranging his study in a sensible manner, Pope commences by defining the basics of Christianity: the nature and attributes of the divine, the tenets of human faith towards Him, and the qualities of religious inspiration and Gods creation that all Christians believe in. The drier and more cryptic aspects of religious study are elucidated; the author, already a teacher with over a decade of experience, covers each subject with fine instructional clarity. This core thesis is then delved into: topics such as sin and straying from the path of the Lord, redemption and atonement of the soul, and the personhood of Jesus Christ are discussed. The notion of salvation and ascendance of the believer to heaven, and the gaining of an affinity with the Holy Spirit, are likewise detailed. Latterly in the third volume, Pope details the Christian idea of sanctification and the ethics that each follower must practice in day-to-day life. How the Christian church operates and was organized is also looked at. Appropriately, Pope concludes his book work with an examination of eschatology - the manner in which a soul traverses death and is judged...
