Audible Studios on Brilliance, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. What would you do if, through an unexpected twist of fate and time, you came face to face with Jesus of Nazareth? In the flesh. A living, breathing, three-dimensional figure with a disconcertingly casual manner. When you had pinched yourself to make sure that you weren't dreaming and found that he was still there, would you turn your back and walk away or would you try to find out what he was doing so far from home? That was the decision facing Leo Resnick, a smart young Manhattan lawyer, and his girlfriend, Dr Miriam Maxwell. Mission is Leo's record of his encounter with The Man. If you've ever looked up at the stars and wondered what it all means, this is the audiobook you've been waiting for. Mission is the nearest you'll get to the Secret of the Universe this side of the Apocalypse. Patrick Tilley spent his formative years in the counties of Northumbria and Cumbria. He studied art at King's College, Durham, and worked as a graphic designer. He began writing episodes for a TV series and went on to become scriptwriter and creative advisor on several major films before writing Fade-Out, his first novel.
