Darren Thayne never expected greatness, but following the strange circumstances of his brother s death, he seeks answers that will provide some semblance of meaning. When he is tasked with finding a missing child by cultists who believe his suffering will usher in the return of their god, he joins with Colson Everett, a madman with delusions of divinity. Together, they discover that redemption cannot be achieved without sin, and the answers they seek could destroy them both. Sometimes, the only person you can trust is the one holding the gun.
