

Food and Life (Classic Reprint) (Paperback)

By Marion Florence Lansing

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Food and Life From its pages the child will learn the facts he should know concerning the great Food Business into which he is born and in which he is a partner. He will be led to see the need of his becoming an intelligent and active partner. He will come into a sense of the world brotherhood which is the hope of the future. The ethical side is often more natural to the child than the technical details. There is hardly a virtue or an ideal of family, community, and world life which does not take a natural place in a study of the fundamental human problem of food. The actual facts are most interesting when presented simply and entertainingly. Knowledge recently contributed by science has made this a new subject, and one far more readily grasped by boys and girls than it could have been five or even two years ago. With a sufficient amount of information to make the book a complete and satisfying whole, the aim has been to suggest as well as to inform. From...

Reviews

The very best publication i possibly read. it was writtern very perfectly and useful. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Wilhelm Predovic**

Completely essential read publication. It is really basic but excitement in the fifty percent of the book. You will not really feel monotony at anytime of your respective time (that's what catalogues are for about in the event you ask me).
