## GERMANY S HOUR OF DESTINY (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Germany s Hour of Destiny The little book, of which the following is a translation, first appeared last March and has already entered upon its twelfth edition. It is the German answer to a work written some years ago by Homer Lea, an American soldier who won fame at the time of the Boxer outbreak in China. Frank, earnest, genuine in tone and in statement, it offers a clear-cut study of the international situation that brought on the present war. It possesses, also, the great merit of brevity. In this book one finds naught of the mailed fist, of sabre-rattling or any of the other bogies which the opponents of Germany and her ally conjure up. It strives, instead, to explain, calmly and logically, what a German patriot believes to be his country s viewpoint. It is just the sort of document that should appeal to the American reader of open mind who refuses to allow the quantity, rather than the quality, of information to aid him in framing his judgment. It serves not to shake our neutrality, but to strengthen it. The author describes the motives and aims of the chief powers now engaged In the struggle across the seas. For many years they have been playing a gigantic game. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
