It conveys passionate commitment. It inspires hope because it promises a purposeful way forward to a positive mind-changing and life-changing future. (Lim, 2010) The author Lim (2010) emphasises in his article the popularity of transformational leadership in the world of the 21st century. According to Lim (2010) the economic and social environment is changing constantly with an increasing speed. Therefore many politics and business executives ask themselves how they should cope with the changed circumstances, such as globalisation and global poverty (Bass and Riggio, 2005, p. 224). From Burnss (2003) point of view transformational leadership gives answers to these most critical questions of the world. The transformational leadership model helps leaders to prepare themselves and their followers for the future. It is a process that changes and transforms people. It deals with emotions, values, ethics standards and long-term...
