Vicki Renfro, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Living one life is hard enough, but living two at the same time is excruciating and the most incredible thing that has ever happened to me. At night I live as a Druid warrior who leads her army into bloody battle against the Roman Empire, only to find those very people are my dearest friends and family when I awake as a college student. I ve learned that nothing is a coincidence- We form a group that we affectionately call the Brass Band, making a brass bowl our final member. It is an ancient object that has the ability to amplify our desires for a peaceful world. Unfortunately we are not the only ones who know of its existence. A very dark force has followed us into this time of Enlightenment and they want the bowl as their own.
