Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Adventures and mysteries await a young lop-eared rabbit when he accidentally falls through a hole in an old white fence. With no way back to his shady, comfortable yard, Montgomery sets out to explore the world beyond. Along the way, he meets a field rabbit named Bentley, and the two are off in search of a legendary raspberry patch. Their mission is a treacherous one, and Montgomery will come face-to-face with predators he's never known before—coyotes, hawks, and even a rattlesnake! But the two rabbits find that by helping each other, and by accepting the help of a few new friends, they just might reach their treasure: a patch of juicy red raspberries! Montgomery and Bentley's adventure is one of danger, excitement, and self-discovery, as the rabbits learn important life lessons and discover a friendship to last a lifetime.
