## Military Support to Indirect Security and Stability Surge Operations (Misss): A Study; October 2007 (Paperback)

By Joint Chiefs of Staff

Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Weak and failing states define a hotly contested zone of operations where radical Islamist extremists, terrorists, and irregular adversaries will collide with U.S. and allied forces and the partners. The former want to exploit these states and to hasten their collapse in order to create operational sanctuaries and zones of barbarism and to lure American forces into protracted and costly interventions. The latter seek to deny radical extremists and their allies any physical sanctuary, either by preventing state failures by enhancing state capabilities and capacities, or, if necessary, by conducting counter-sanctuary and nation-building operations aimed at rebuilding functioning states capable of fighting the extremists on their own. Obviously, the choice between saving a weak but functioning state from collapse and conducting a major, direct U.S. intervention to rebuild a functioning state from scratch is an easy one to make. Direct interventions and nation-building operations are enormously expensive under the best of circumstances (no armed opponents and a willing population); they can cost billions of dollars a week when actively opposed by irregular enemies. To thwart the cost-imposing strategies of their...
