Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Dare to Care -- my Caregiving workbook is intended to help family caregivers be more organized. Caregiving involves paperwork. Organized paperwork in one place -reduces stress and clutter. This workbook is written because of repeated requests from my readers for bigger forms. This book supplies all copy-able forms in 8.5x11 inches. What medications are taken and when? Who are your doctors? When do you see them next? What questions do you have for your doctors when you do see them? Do you have an Emergency Paramedic sheet? Do you have others helping you with caregiving? Have you checked the house for safety? Readers of Dare to Care -- Caring for our elders will find this workbook useful in caring for their loved ones. All the old forms are included and several new ones were added. Be sure to check out the Let Your Light Shine where I teach about my own personal approach and suggestions of how I cared for myself as a family caregiver. Enjoy your journey!.
