GRIN Verlag GmbH. Paperback. Book Condition: New. Paperback. 28 pages. Dimensions: 8.5in. x 5.5in. x 0.1in. Essay from the year 2011 in the subject Sociology - Classics and Theoretical Directions, grade: Distinction, London School of Economics, language: English, comment: For Durkheim, the decline of mechanical solidarity in modern societies is deeply worrying. Provide a critical assessment of Durkheims account of organic solidarity in a contractual society. , abstract: Durkheim followed one central question during his writings, namely the search for the bonds which unite men one with another (Durkheim, 1888: 257). Especially Durkheims early works are concerned in this respect with the forms of solidarit that are specific for pre-industrial or lower societies in contrast to the ongoing industrialised or organised kind of community. In the Division of Labour, Durkheim arrives at a rather pessimistic account of modern, industrial society: although under normal circumstances the division of labour leads to a harmonious society bound together by solidarity, our current form of industrial organisation is in an appalling crisis (ibd. : 339) composed of organs that still clash discordantly together (ibd. : 340). It is this account Durkheim gives of solidarity in the modern society that can be criticised substantially. The following...
