Picador. Paperback. Condition: New. 576 pages. Dimensions: 0.0in. x 0.0in. x 0.0in. A charmingly personal history of Habsburg Europe, as lively as it is informative, by the author of *Germania*. For centuries much of Europe and the Holy Roman Empire was in the royal hands of the very peculiar Habsburg family. An unstable mixture of wizards, obsessives, melancholics, bores, musicians and warriors, they saw off through luck, guile and sheer mulishness any number of rivals, until finally packing up in 1918. From their principal lairs along the Danube they ruled most of Central Europe and Germany and interfered everywhere indeed the history of Europe hardly makes sense without the House of Habsburg. *Danubia*, Simon Winders' hilarious new book, plunges the reader into a maelstrom of alchemy, royalty, skeletons, jewels, bear-moats, unfortunate marriages and a guinea-pig village. Full of music, piracy, religion and fighting, it is the history of a strange dynasty, and the people they ruled, who spoke many different languages, lived in a vast range of landscapes, believed in rival gods and often showed a marked ingratitude towards their oddball ruler in Vienna. Readers who discovered Simon Winders' storytelling genius and infectious curiosity in *Germania* will be delighted by the eccentric and fascinating tale of the Habsburgs and their world. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
