

Bringing the Power of Native to the Browser (Paperback)

By Andy Carter

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.By leveraging the latest browser APIs, progressive web apps combine all of the benefits of native apps, while avoiding their issues. Throughout the book, author Andy Carter shows you how to improve a simple website for the fictional Gotham Imperial Hotel into a modern progressive web app. This book is first and foremost intended for developers. If you are looking to leverage your existing web development skills and learn how to build modern progressive web apps, this is the book for you. For people in non-technical roles, this book can help provide a familiarity and a general understanding of the capabilities of modern progressive web apps. Many chapters include case studies collected through interviews conducted with teams behind some of the world's most influential sites.
