POLE-DATE OR SOUL-MATE: ESTHER'S STORY (PAPERBACK)

Get More in Life Coaching, LLC, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Esther's Story began when her husband Daniel asked her to join him for dinner. What an awesome jester, she thought. While dining a stranger approached and asked if her name was Esther? -Yes, - she replied. Daniel excused himself from the table and never returned. How could he? As she unfolded the papers, the stranger handed her. Why was she being served with divorce papers? She was always at his beckon call. She'd done more for Daniel than herself. She never saw it coming. Was she living in denial? As she continued to question herself; she felt she'd been blindsided and sucker-punched in the face which knocked her in a state of depression. Esther finds herself feeling lonely, anxiously wanting to know if she had what it took to get a man. Reading Pole-Date or Soul-Mate will open your eyes to what's going on inside. The author speaks heart to heart to open minded women, who believe they are worthy of love and are willing to change their outlook to find their ideal soul mate. Watch as the door to your heart opens for your Soul-Mate, and the Pole-Date (who is just a dressed-up penis) uproots itself from your life and moves on. Follow along with Esther on her journey and find out if she ends up with a Pole-date or her Soul-mate.
