

The People Solutions Sourcebook (Paperback)

By Neil Thompson

Palgrave MacMillan, United Kingdom, 2012. Paperback. Condition: New. 2nd ed. 2012. Language: English . Brand New Book. Working with people requires engaging with the issues that inevitably affect their lives and work - whether conflict or stress, relationship difficulties or communication breakdown. This hands-on sourcebook is an essential introduction to tackling the problems that arise between people. Offering a wealth of practical advice, methods and strategies, it will support you in building your own toolkit of methods, enabling you to turn problems into successes with both fairness and sensitivity. The book is divided into three easy-to-navigate parts: Part I provides a theoretical backdrop for the book. It explores the factors that contribute to a range of problems and discusses the knowledge, skills and values involved in effective problem solving. Part II is a collection of over eighty tools. Organized alphabetically, each technique is thoroughly explained so that you know when and how it can be used and what results it can deliver. Part III is a guide to further learning, packed with suggestions for reading and designed as a springboard for more advanced learning and skill development. This versatile resource builds on the success of its predecessor (People Problems) to demonstrate...

Reviews

This written book is great. I am quite late in start reading this one, but better then never. You will not really feel monotony at at any moment of your time (that's what catalogues are for about when you check with me).

-- **Abe Reichel DDS**

A new electronic book with an all new standpoint. It usually fails to charge too much. Its been printed in an exceedingly basic way in fact it is simply following i finished reading this book through which basically altered me, affect the way in my opinion.
