Humanity does not need to be focused on Religion of Philosophy, it needs Spirituality! It needs to attain the higher mind dimension of God Consciousness. Then, the miracles can happen ! In his first ever book, The God Touch-My Divine Evidence author Stevie White talks about how the Holy Spirit of God, revealed itself so powerfully through a visitation; that, it left him filled with a sense of awe and overwhelming emotion. This spiritual calling, has urged him onto writing another follow on book. In his second God book, Stevie revisits some of the key globally renowned scholars and their philosophy on God. He also gives a first hand account of the devil and Satan and the Kingdom of God depicted in the Holy Bible He also provides a prompt, to look inside yourself and find your soul, before discussing Spirituality and the power of prayer and transcendental meditation to help people connect. There s a need to know thyself first, and to understand and digest that our main purpose in life is to experience an ego death and strive to first repent, then connect to the very powerful and supernatural intelligent GOD. He also discusses at some length the art of Spiritual Healing and the need for an infilling of the Holy Spirit . -Be Still and Know That I am GOD- Psalms 46: 10 (KJV).
