Hay House UK Ltd. Paperback. Book Condition: new. BRAND NEW, Why am I Sick?: How to Find Out What's Really Wrong Using Advanced Clearing Energetics, Richard Flook, Have you ever asked, 'Why am I sick?' and found that your doctor can't give you a satisfying answer? Western medicine can rarely answer this question - just look at any medical dictionary, and for 99 per cent of diseases listed, the cause is not known. The question is, how can you cure a disease - permanently - if you don't know what caused it in the first place? In Why Am I Sick? Richard Flook explains how disease really works, revealing how the body has not, in fact, made a mistake, but that there are different types of stressful experiences that can cause specific diseases to occur. He tackles the challenging questions of why cancers develop, how chronic diseases are caused, how allergies start, why our beliefs about bacteria and viruses are flawed, and how our present way of treating disease is in desperate need of updating. This ground-breaking book will challenge your present belief system about disease, and at the same time empower you by finally answering the question: 'Why am I sick?', to put you back in control of your health!
