Becoming a Clairvoyant: - My Journey of Embracing My Clairvoyant/Psychic Gift (Paperback)

By MS Tanya Brown

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Have you had experiences (ie. a knowing) that you could not explain? Dreams that literally come true? You know who is calling without even picking up th phone? This was my life. I would know things about someone without knowing how or why I knew what I knew. I experienced dreams that came true verbatim. Word for word. Scenery and even the outfits. I thought this was a coincidence and in some respects just lucky. It took one event to make me question this and learn that I was actually a psychic and a clairvoyant (their is a bit of a difference between the two). I also thought if I am going thru this someone else, somewhere was probably experiencing something similar. See I did not have alot of people to talk to about this. I felt weird sharing my experiences. If you feel the same. This book is for you. Just know that you are not alone. You are never alone.
