Peirene Press Ltd. Paperback. Book Condition: new. BRAND NEW, Next World Novella, Matthias Politycki, Anthea Bell, Hinrich takes his existence at face value. His wife, on the other hand, has always been more interested in the after-life. Or so it seemed. When she dies of a stroke, Hinrich goes through her papers, only to discover a totally different perspective on their marriage. Thus commences a dazzling intellectual game of shifting realities. ----- Why Peirene chose to publish this book: 'This novella deals with the weighty subjects of marriage and death in an impressively light manner. Shifting realities evolve with a beautiful sense of irony and wit. It is a tone that allows us to reflect - without judgment - on misunderstandings, contradictory perceptions and the transience of life.' Meike Ziervogel, Publisher.

Reviews

Basically no phrases to clarify. It really is written in straightforward phrases rather than hard to understand. You will not sense monotony at any moment of your own time (that's what catalogues are for concerning if you ask me).
