**SATGURU KI DOHAWALI: GURUDEV KE BHAJAN (PAPERBACK)****DOWNLOAD**

Createspace, United States, 2015. Paperback. Condition: New. Language: Hindi . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. A few years ago I had seen a saint who was very calm, cool, and soft spoken. I had closely watched his daily routine; he was fully devoted to Goddess Kali Maa. He used to cook himself. Although many persons were there to help him but he used to do his own work. I have seen so many saints, gurus who don't do their work themselves. They live luxurious life but when I compared with him he was truly a saint. He used to wear simple clothes and never allowed anybody to touch his feet. He always respected women like a mother. In his words a Guru is a person like a father and the devotee like a daughter or son. Guru gives the right path to his devotee which completely changes his life. All these things which came across my life inspired me a lot to write this book. While reading you will observe yourself that a Guru can change a person as a whole. He enlightens the soul throws away the bad elements. A devotee has to follow his words, teachings. It is not so simple to do sometimes many hurdles come across which can be overcome when the devotee has full faith in his master (Guru). Whenever I feel something or any mishappening is going to happen in my life it is taken care of because of my true faith in my Guru Ji. In my opinion when a Guru guides life becomes simple for anybody and when we don't have him we feel helpless. Our hands are empty and desires are endless but He only gives. One cannot lie before him because he knows inner feelings..
