FABER FABER, United Kingdom, 2017. Paperback. Condition: New. Main. Language: English . Brand New Book. First UK publication for this modern classic It s beautifully written and drawn, it s very poetic and very romantic. I highly recommend it. ELENA FAVILLI Moving, tender, beautifully drawn, painfully honest and probably the most important graphic novel since Jimmy Corrigan. NEIL GAIMAN Blankets is a classic in every genre it touches. STEPHEN CHBOSKY, author of The Perks of Being a Wallflower One of the greatest love stories ever written and surely the best ever drawn. JOSS WHEDON Wrapped in the snowfall of a blustery Midwestern winter, Blankets is the tale of two brothers growing up in rural isolation, and of the budding romance between two young lovers. A tale of security and discovery, of playfulness and tragedy, of a fall from grace and the origins of faith, Blankets is a profound and utterly beautiful work.
