

Practical or Ideal? (Classic Reprint) (Paperback)

Filesize: 4.62 MB

Reviews

The publication is easy in read better to understand. It is writter in basic words and phrases rather than hard to understand. You wont truly feel monotony at anytime of your respective time (that's what catalogues are for about if you question me).
(Kaya Rippin)

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Practical or Ideal? There may come an occasional doubt, indeed, to the most practical man, as to the sufficiency of this view of life, and education, and politics. When a close student of biology shuts himself for months in the humble little laboratory that they show you in Paris, and comes out with a discovery that saves for France more than all her huge debt of war has cost her, men glorify the name of Pasteur and forget the long years of impractical education, and the infatuation of the student's ideal which led up to the great discovery. When the scientist sits pondering his problems and working out the abstrusest calculations in mathematics, he is a dreamer, but when his dream is realized in the harnessing of electricity, and men reckon by amperes, in terms of his own name, dreams are seen to be practical and vision is found to have substance, and the highest problems of abstruse science are seen to have as close relation to real life as the very bread we eat. Practical men may well ask, then, whether bread, necessary though it is, is any more than the sustenance of life, and whether life itself, for every man and in every pursuit. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
