GRACEWING, United Kingdom, 2004. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Devotion to the Five Wounds of Jesus has long been one of the most popular forms of Catholic spirituality. David Williams traces the roots of this devotion in Holy Scripture: the words of the prophets foretell the suffering Christ, while the New Testament witnesses to the victorious scars borne by the risen Lord. The Sacred Wounds of Jesus remained a persistent theme in the writings of the Desert Fathers and Doctors of the Church, a theme that was to be more fully developed in the devotional practice of the mediaeval period and on into modern times. Detailing the several forms devotion to the Five Wounds has taken (both mediaeval and modern) - in art, liturgy and poetry - David Williams recalls those holy people favoured by visions of the suffering Lord, as well as those who themselves came to bear the stigmata of Christ. He outlines the history of devotion to the specific wound in the Side - later seen as the Sacred Heart of Jesus, and describes the gift of tears given to some from their reflection upon the Passion of their Master. David Williams is the author of *The Cistercians on the Early Middle Ages* and *The Welsh Cistercians*, both published by Gracewing.
