Alex Garcez, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. A dyslexic Brazillian will show you how to blast through your books, documents and social media. Alex Garcez believes you have potential to read at least 50 faster so he is the first coach in the world to guarantee your improvement, or your money back. He has raised the standards to become the World s #1 Speed Reading Coach and advocates that all books should guarantee your satisfaction; they consume time and effort from the reader, so it s just fair. Better handle information overload and become an expert in your field faster by understanding how the eye tracker is changing the way we read. Be aware of how fast you read and radically improve your comprehension while developing your speed reading skills by up to 5X. Ignite your passion for reading books! Alex discovered that your brain loves speed, and thinks that fast is fun - slow is boring! If you think you have short attention span while reading books, then you probably read slowly and carefully. Instead of understanding the text you get bored and distracted, and need to skip back to re-read the text countless times. This is because your brain is too powerful to go at such a slow pace. Read smarter and make decisions faster with confidence. Alex gave up his Engineering degree because he was dyslexic and a very slow reader, however, his weakness became his strength when he decided to master his reading skills. He then took a Business Degree and developed a method to teach people how to read faster over 13 years. He has personally coached thousands and has helped people in more than 135 countries with his online course. He has achieved remarkable...
