Forgotten Books, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Introduction to the Study of the Holy Scriptures, Vol. 1: Of the Library In the preparation of this volume I have relied upon original sources of information. The edition of the Greek and Latin Fathers which has been chiefly used is that of the Abbe J. P. Migne. From this nearly all the extracts from the Fathers are taken. The originals of the most important passages quoted are given at the foot of the pages. Other ancient authorities, in nearly all instances, are also quoted from the original authors. For the Old Testament, in addition to the Hebrew text, my principal aids have been Tischendorf s edition of the LXX, the Targums of Onkelos and Jonathan ben Uzziel, Professor Lee s edition of the Peshito-Syriac version of the Old Testament, and Blaney s edition of the Samaritan Pentateuch. My chief sources for ascertaining the correct text of the New Testament have been the critical Greek texts of Tischendorf and Tregelles, copies of the Vatican, Sinaitic, and Alexandrian Codices of the New Testament, and the Peshito-Syriac version - to which I added, before the New Testament portion of the work had passed through the press, Blanchini s edition of MSS. of the Latin version of the fourth and fifth centuries, and Schwartz s edition of the Memphitic (or Coptic) version of the four Gospels, with readings from the Sahidic (or Theban) version. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections...
