Do you know they are still as important as the ever were? The Ten Commandments are a big part of your life, even if you don t think they are. Most of the laws of man are based on the laws handed down from God that are the Ten Commandments. Without the law there is no sin, there is no breaking the law. We have to have something to base our laws on. All modern societies in the world, Christian or not, base most of their laws on these laws from God. Why are more people moving away from God and the laws of God? The problem is that society has started to change them because they don t like the laws that interfere with the things they like to do. Society is getting to the point where anything anyone wants to do is becoming ok. Many people break them and don t even think they are breaking them. It s like speeding in your car. Most people that speed are generally law abiding people that just don t think speeding is breaking the law, but it is against the law. Do you know what the Ten Commandments are? You shall have no other God before me. (God the creator) You shall not make any graven images to worship You shall not take the name of the Lord in vain Remember the Sabbath day and keep it holy Honor your Father and Mother You shall not murder You shall not commit adultery You shall not steal You shall not bear false witness (lie) You shall not covet your neighbors wife or any of his things Learn...
