Reviews

A brand new electronic book with a new standpoint. It is written in basic phrases rather than confusing. It has been designed in an extremely basic way which is merely right after I finished reading through this publication where it basically altered me, changing the way I believe.
(Kitty Crooks)

Oxford University Press. Paperback. Book Condition: new. BRAND NEW, Fasti, Ovid, Anne Wiseman, Peter Wiseman, 'Times and their reasons, arranged in order through the Latin year, and constellations sunk beneath the earth and risen, I shall sing.' Ovid's poetical calendar of the Roman year is both a day by day account of festivals and observances and their origins, and a delightful retelling of myths and legends associated with particular dates. Written in the late years of the emperor Augustus, and cut short when the emperor sent the poet into exile, the poem's tone ranges from tragedy to farce, and its subject matter from astronomy and obscure ritual to Roman history and Greek mythology. Among the stories Ovid tells at length are those of Arion and the dolphin, the rape of Lucretia, the shield that fell from heaven, the adventures of Dido's sister, the Great Mother's journey to Rome, the killing of Remus, the bloodsucking birds, and the murderous daughter of King Servius. The poem also relates a wealth of customs and beliefs, such as the unluckiness of marrying in May. This new prose translation is lively and accurate, and is accompanied by a contextualizing introduction and helpful notes. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.
