In this delightful adventure, children will travel along with Buddy as he and his family go sightseeing throughout the United States. While Buddy visits some of the many amazing places America has to offer, he also learns lessons about God s power and plan for his life. Buddy acts as his father s sub-buddy, his subcontractor for many of his construction projects. As Buddy helps his parents, he also helps your child develop critical thinking skills and spiritual intelligence. In this big adventure, Buddy travels across America and introduces his fans to the Grand Canyon, the Painted Desert, the Petrified Forest National Park, and more wonders of the American West. Charming illustrations capture the vastness of God s creation. In addition to the simple but engaging story, writer Bernardo Cerros includes a series of exercises, activities, and prayers to help draw your child closer to God. As you read along with your own little subcontractor, Buddy s Big Vacation gives you opportunities to discuss biblical lessons and stories. Cerros intends the book to foster connection and conversation between parents and children. Children will love helping Buddy with his projects, and you ll love helping them learn the biblical lessons Buddy can teach them.
