Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Elements of Materia Medica and Pharmacy: Two Volumes in One IN composing the following work, the object which I principally had in view was to render more useful the lectures I deliver, on the subjects of which it treats. I could not doubt of the advantages to be derived from an outline which presents to the student the general arrangement of the course, and a summary of the leading facts and principles which it is designed to illustrate. And I deemed this the more necessary, as the classification of the Materia Medica, which I have adopted, and some of the views of the operations of medicines, are different from those which have hitherto been proposed.
