

Creating Photomontages with Photoshop: A Designer s Notebook (Paperback)

By William Rodarmor

O Reilly Media, Inc, USA, United States, 2005. Paperback. Condition: New. Language: English . Brand New Book. Showcasing the breathtaking work of French digital artists, Creating Photomontages with Photoshop: A Designer s Notebook will both inspire and educate as you explore the endless photomontage possibilities with Photoshop. Translated from French into English for the first time, this lavish collection of groundbreaking digital creations by well-known French artists is a visual smorgasbord for digital imaging professionals, graphic artists, photographers, and anyone involved in the creation of digital images or animations. Photomontages are multiple images artfully combined. When joined together, they assume a new and more complex definition that, if done well, is both believable and aesthetically thrilling. The stunning digital photomontages within this book offer a challenging and beautiful glimpse into a vibrant culture known for pushing the limits of imagination with photography, graphics, and art. Filled with splendor, energy, and creative risks, the images will change the way you see and perform your own work. But Creating Photomontages with Photoshop: A Designer s Notebook is more than a full-color feast for the eyes. It gives intermediate-to-advanced Photoshop users invaluable guidance through all aspects of the photomontage creation process--from an initial...
