*Great electronic book and useful one. It can be written in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

Lion Hudson Plc, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. One explores the personal journey of Steve Clifford, General Director of the Evangelical Alliance. It explores the challenges of unity as outworked both in his day-to-day marriage and home life, and national and international relations. Unity is what drives him - but not just for unity s sake. In bringing people together, we are following the John 17 mandate to show the immense love of God, who sent his Son for us. We connect to a shared mission, whether it s nurturing a church culture which is increasingly confident in the gospel, getting involved in community action or lobbying the government for a better society. The Church is the key to long-lasting change in the world - by working in unity we can transform our communities with the good news of Jesus.
