Reviews

This kind of book is every little thing and made me searching ahead of time plus more. This is certainly for anyone who statte that there was not a well worth reading through. Its been developed in an remarkably straightforward way in fact it is simply following i finished reading this pdf in which really modified me, alter the way i really believe.

THE MOBILE WAVE: HOW MOBILE INTELLIGENCE WILL CHANGE EVERYTHING

CDS Books. Hardback. Book Condition: new. BRAND NEW, The Mobile Wave: How Mobile Intelligence Will Change Everything, Michael Saylor, In the tradition of international bestsellers, Future Shock and Megatrends, Michael J. Saylor, CEO of MicroStrategy, brings The Mobile Wave, a ground-breaking analysis of the impact of mobile intelligence-the fifth wave of computer technology. The Mobile Wave argues that the changes brought by mobile computing are so big and widespread that it's impossible for us to see it all, even though we are all immersed in it. Saylor explains that the current generation of mobile smart phones and tablet computers has set the stage to become the universal computing platform for the world. In the hands of billions of people and accessible anywhere and anytime, mobile computers are poised to become an appendage of the human being and an essential tool for modern life. With the perspective of a historian, the precision of a technologist, and the pragmatism of a CEO, Saylor provides a panoramic view of the future mobile world. He describes how: * A Harvard education will be available to anyone with the touch of a screen. * Cash will become virtual software and crime proof. * Cars, homes, fruit, animals, and more will be "tagged" so they can tell you about themselves. * Buying an item will be as easy as pointing our mobile device to scan and pay. * Land and capital will become more of a liability than an asset. * Social mobile media will push all businesses to think and act like software companies. * Employment will shift as more service-oriented jobs are automated by mobile software. Products, businesses, industries, economies, and even society will be altered forever as the Mobile wave washes over us and changes the landscape. With so much change, The Mobile...
