Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Pomona s Travels This series of letters, written by Pomona of Rudder Grange to her former mistress, Euphemia, may require a few words of introduction. Those who have not read the adventures and experiences of Pomona in Rudder Grange should be told that she first appeared in that story as a very young and illiterate girl, fond of sensational romances, and with some out-of-the-way ideas in regard to domestic economy and the conventions of society. This romantic orphan took service in the Rudder Grange family, and as the story progressed she grew up into a very estimable young woman, and finally married Jonas, the son of a well-to-do farmer. Even after she came into possession of a husband and a daughter, Pomona did not lose her affection for her former employers. About a year before the beginning of the travels described in these letters, Jonas s father died and left a comfortable little property, which placed Pomona and her husband in independent circumstances. The ideas and ambitions of this eccentric but sensible young woman enlarged with her fortune. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
