*This publication will never be effortless to get started on reading through but very entertaining to read through. It normally is not going to expense too much. I discovered this publication from my dad and i encouraged this book to find out.*

Seven years after the eventful night that Mina was almost turned into a vampire, she is now happily married to Jonathan Harker and has a lovely son called Quincy until her past comes back to haunt her. Mina s life is thrown into turmoil as a gypsy sorceress with a hidden agenda casts a spell from the book of the dead to bring Dracula back from his grave. Mina s worst nightmares are unleashed as her husband and child are brutally slaughtered and she is reborn with a bloodthirsty appetite and dark vengeance. Seeking revenge and to be reunited with her loved ones, Mina battles against all odds and survives into the twenty first century, until a handsome stranger arrives to document Mina s life who is not quite what he seems. Mina Harker: The Curse of the Vampire is a compelling sequel to Dracula, which also acts as a standalone story. Bringing back the old characters and adding new ones to create an emotional, action packed modernised fantasy from Mina s perspective with an added twist at the end.
